

WORMS

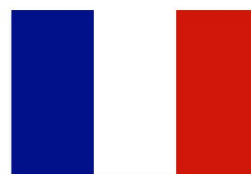

Bowling Party

**Monday 16th
december 2013**

To 8:00 pm

During this wonderful trip in Germany, our German pen-friends organized a bowling party. While some of us were playing and were trying to win, others were talking about their weekend. We have discovered that German are very friendly.

Thanks to this event we met all German correspondents and had fun with them.

**Thanks to : Florence Petroff
